OFFICE OF LEGISLATIVE COUNSEL

Thursday - 23 March 1961

25X1 1. [] Talked with Sam Crosby, on the House Appropriations Committee staff, and informed him that it would be necessary for the Director to leave the hearings next Tuesday at 3:00 P.M. in order to fill another commitment, however, General Cabell will be present at this time. Crosby indicated that this would be perfectly all right. Arrangements have been made with Security to make a sweep of the room Monday morning.

25X1 2. [] Talked with Mr. John Hoghland, in the Legislative Liaison office of State Department, and alerted him to Representative Harold D. Cooley's interest in [] situation. I informed Hoghland that Mr. Warner sat in on some House Agriculture Committee executive sessions on this and had informed the Committee that anything we had on this subject had been forwarded to appropriate departments and agencies including the Department of State. Hoghland appreciated the call.

25X1 3. [] Mr. Pollock called to say that [] an applicant referred to the Agency by Representative A. S. Herlong (D., Fla.) and now in the Personnel pool, has been medically disqualified. Pollock was alerting us to this case in view of Mr. Herlong's interest. I called Mrs. Williamson, in Herlong's office, to alert her to the fact that [] was being medically disqualified and found that [] father is a good friend of Mr. Herlong. Mrs. Williamson is interested in any further information we can give her and I indicated that I would be in touch with her within the next day or two.

25X1 4. [] attended the continuation to the Armed Services Air Force Posture briefings. See Memo for the Record for details.

9. [redacted] Talked to John W. Sipes, Security and Consular Affairs, Department of State, concerning the request of HCUA on background type information for their use. Mr. Sipes indicated that he was pleased the request had been received by us rather than his office as he would not have known what to do with it. There is some confusion in the Department at the present time concerning passport legislation policy.
